Organisers at the Los Angeles Greek Film Festival announced on Monday [25] that they will screen Elia Kazan's *Man On A Tightrope* as a prelude to the festival proper.

The screening will take place on Apr 20 on the 20th Century Fox lot.

This year the festival will host the inaugural Project Discovery Forum, a feature film competition to discover new film-making talent.

The Los Angeles Greek Film Festival will run from Jun 6-9 at the Writers Guild Theatre.
